Place of Use.

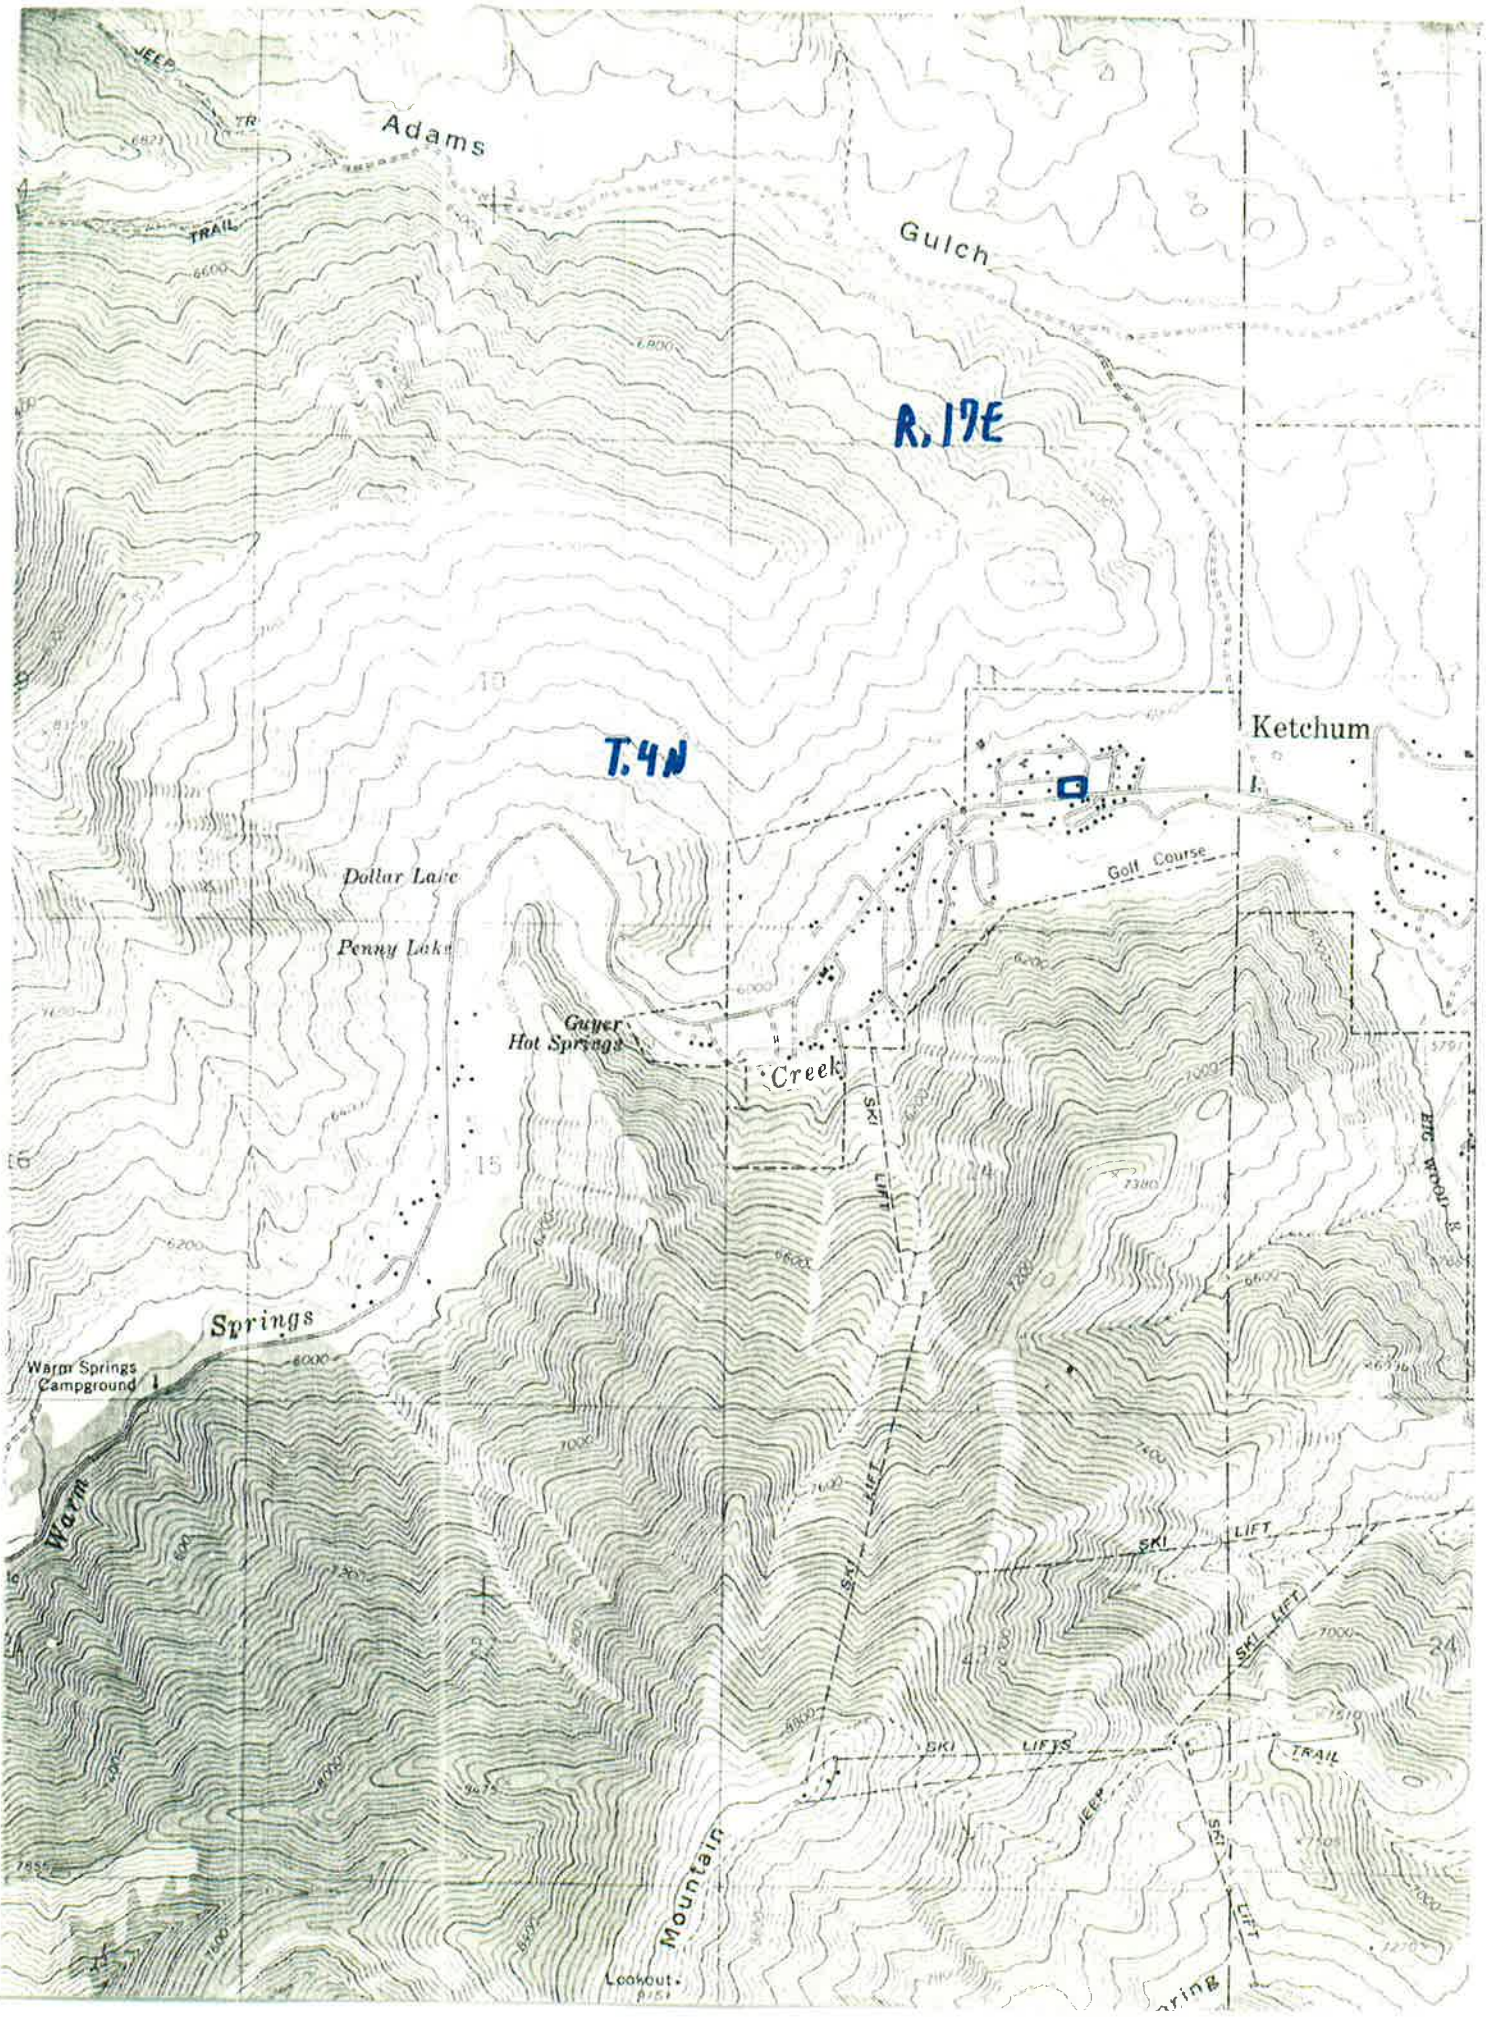

From the information I have from the License, I am unable to pin-point the POU. All I know is that it is somewhere inside the above Qq represented in yellow.

Point of Diversion.

Need to GPS the exact location of the POD

Ownership.

I have reason to believe that the claimant, Lynette Allred, is no longer the owner of this property. We need to find who the owner is if this is the case. Make sure they fill out a change of ownership and sign it so that you can return it to me with the file.

Notes
