Re: Evidence of Priority Date for SRBA Claim

RESPONSE DEADLINE
MARCH 29, 2002

Dear Claimant:

The Notice of Claim identified with the number shown above has been filed in the Snake River Basin Adjudication (SRBA). The Notice indicates your water usage is based on "Beneficial Use" or a "Statutory Claim." Water rights of this type are established by the historical use of water, dating back to when water was first used for the purpose claimed. The date of first use, known as the priority date, has not been confirmed by a License, Decree or Permit. The Department will, at a later date, conduct reviews and/or field exams for the claims in your area. Since the priority date of a beneficial use water right cannot be confirmed by field examination, **proof must be provided by the claimant** supporting the priority date claimed.

If you no longer own the property to which the claim is appurtenant please forward this correspondence to the present owner, or return it to the Department. If you have received this correspondence from the previous owner of the property it is recommended that you file a Change of Ownership form with the Department in order to receive future mailings and to continue to be a party in the adjudication.

Enclosed you will find a computer printout of your Notice of Claim and the pamphlet entitled "Evidence of Priority." The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement.

PLEASE NOTE: The Department will not recommend the court decree the notice **as claimed** if no evidence of a priority date is submitted. It will be to your advantage to provide clear and convincing evidence. If you choose to submit statements from individuals as evidence, the statement should be in the form of a notarized affidavit.

Submit the required evidence supporting the priority date by the date shown above, referencing all documents with the corresponding Notice number. If you have questions not covered by this letter or the enclosed pamphlet, please contact the office listed above.

Sincerely,

Steve Clelland
Water Resource Agent, Sr.
