We have just received the Second Commencement Notice in Re the General Adjudication of Rights to the use of water from the Snake River Basin. We received the first Commencement Notice of the same matter in 1988. The first time the County was listed as Blaine County and this time the County is listed as Misc. Reg. Mail.

We sent in all the information we had at that time on a Notice of Claim to a Water Right form plus our check for \$25.00. On 3/25/88 Our Claim was returned plus our check for \$25.00. The reasons you listed for returning our Claim form are shown on a copy of your letter, attached to this letter.

Please send us new forms and we will try again to fill them out properly. We bought the cabin in 1982 from Frank J. Powers and as far as we know he bought it in about 1960 from a couple named McCoy. We don't know the exact date Mr. and Mrs. Powers started using the spring water. We think in about 1970.

Very truly yours,

Joseph L. Moore

Mr. Joseph L. Moore (Beverly A. Moore)

Mr. and Mrs. Joseph L. Moore

P.S. We are enclosing our original Claim to a Water Right form with the requested changes made thereon. We are also enclosing our new check in the amount of \$25.00. If this is satisfactory you will not need to send us a new Claim to a Water Right form.

RE: Snake River Basin Adjudication (SRBA)
Blaine County - Notice of Claim No. A37-12984

Dear Mr. and Mrs. Moore:

We received today your letter dated January 14, 1992, your check #5600 in the amount of \$25.00 and the yellow carbon copy of your original Notice of Claim to a Water Right. We are returning to you all of the above, because you had previously completed the filing process for your water right in Blaine County in March of 1989 by responding to our correspondence dated 3-20-1989. I have enclosed a copy of your notice of claim #A37-12984, for your files.

You received the Second Commencement Notice for your property because all "lessees" of federal and/or state property were included in this second mailing even if they had previously filed a notice of claim for a leased property. This second mailing was done to insure that individuals were made aware that they may file for water rights they have developed on their leased lands.

At this time you need not do anything further. When we begin reviewing the water rights in the Blaine County area (approx. 1993) you will be contacted by the department at that time. If you have any questions, please contact me directly at 208-327-7858 or you may call the Adjudication information line toll free at 1-800-451-4129.
