Decreed Water Rights 37-13139A, 37-13156, 37-13157, 37-13158

Dear Mr. Davis:

Pursuant to the change in ownership request that has been submitted to the Department, we have changed the record of current ownership. Please find the enclosed copies of the computer records of the claim(s) noting the change in claimant. Review these records and if there is an error, or you have any questions, please contact this office.

As I discussed with Mrs. Davis on the phone awhile back, claim 37-13155 contained the legal description of two tracts that appear to be owned by Bryant Ranches. They are the west half of the northwest quarter of section 34, township 1 north, range 15 east. The only way to correct this discrepancy is for you to amend this claim. I have taken the liberty of producing an amended claim with the west half of the northwest quarter of section 34 removed. Please carefully review the amended claim and if you agree with the change, complete the signature area (item 16) on page 3 (be sure to have your signature notarized) and return it to me in the enclosed self-addressed envelope. As soon as I receive the amendment, I will make the change permanent in our electronic records and confirm to you by mail that I have done so. Thanks for your prompt attention to this matter and should you have any questions, please do not hesitate to phone me.

Sincerely,

Trish Fawcett

phone (X) walk-in ()

We discussed the issues that would initiate the SO letter. He indicated that they did not purchase any property from Mr. Peck. As he reviewed the claim he noted that the p/d and p/u for section 34 had a 16E range. This places the section 27 property about 6 miles away. He thought that this may be a problem. I pulled the file and found that the claim was data entered incorrectly. I corrected the claim. He also indicated that Briant Farms owns the W¹/₄NW¹/₄ of sec 34, 1N, 15E. The map attached to the claim does not show any stock water in that location. Those forties should probably be deleted from the p/u.
