RE: CHANGE OF OWNERSHIP FOR 47 ACRES SOLD TO CRISTOBAL

Dear Mr Mellen

Enclosed is the copies of the adjudication claims and the basis for the proportional split for these claims. Please review these records to see if they are satisfactory.

I will be processing the change of ownership for the Rey's in the near future. I discussed the change of ownership briefly with DeNene Dixon and she indicated that there is another change of ownership pending for the balance of the property. A change of ownership is required for that portion also. If the Reys are the legal owner for the that portion, then the change of ownerships can be combined and the claims can be changed into their name without splitting them again. I have enclosed a change of ownership form for your use in case you have not already obtained one.

If you have any questions please contact me at the number listed above.

Sincerely

Kelly K Christensen  
Sr Water Resource Agent

**RE: SNAKE RIVER BASIN ADJUDICATION CLAIMS CHANGE OF  
OWNERSHIP FROM JON MELLON**

Dear Mr Rey

Enclosed are copies of 13 adjudication claims which I have changed the ownership from Mr Mellon to you, as identified through two change of ownership forms. Please review these claims to insure that they represent the water use as it exists on the property.

I have also enclosed a change of address form, as the quit claim deed submitted for A37-02139A showed the above address where as the change of ownership form has the address as shown on the claims. The department is required to have a written request before we can change the address on claims filed in the Snake River Basin Adjudication.

If you have any questions please contact this office.

*phone (X) walk-in()*

I called her to get clarification on the actual place of use covered in warranty deed 69756.

She indicated that she is completing another change of ownership for REY that conveys the balance of Mellon's property to them. She felt that the deed would be recorded later today. I she indicated that she would fax the change of ownership to me after it is recorded.
