RE: Incorrect Claim Form & Incomplete form

Dear Mr. Rohrer:

The Department of Water Resources has received your Clark Fork-Pend Oreille River Basin Adjudication (CFPRBA) Notice of Claim to a Water Right. We are unable to recommend your adjudication claim to the Court for the following reason.

The Notice of Claim to a Water Right was submitted on an incorrect form. I have filled out the correct form for you based on the information I could get from your original claim. Please verify the information I filled in for you and complete the highlighted areas.

If there are any changes that need to be made, cross off whatever needs to be changed, fill in the correct information, and initial the changes. Then sign and date the claim on page 2. The sections that are highlighted must be completed in order for the claim to be valid. See enclosed instructions to help answer the highlighted areas.

Please complete the form and return it to the Northern office at your earliest convenience.

Do not hesitate to contact our adjudication staff if you still have any questions or concerns.

Sincerely,

Dawn R. Lenon
Technical Records Specialist 1
Northern Region

Enclosures: Original claim on long form, Notice of Claim to a Water Right short form for verification, completion and signature.
