Dear Trish;

Enclosed please find a form to change water right ownership. The original water rights (enclosed and marked "A") had the numbers 37-11E and 37-10B, covered 77 acres, and were owned by Robb and Kathi Peck.

Sometime around 1989, the Pecks sold 20 acres of this property. The new owner has evidently never had the water right split. In 2001, the Pecks formally subdivided the property, and the remaining 58.72 acres (highlighted on the enclosed exhibit marked "B") was purchased by C. E. and Ingeborg Molyneux, as evidenced by the enclosed warranty deed (marked "C"). Please note the new legal description that the subdivision created.

In January, 2002, C.E. Molyneux and Ingeborg Molyneux divorced and Ingeborg received title to the property as evidenced by the enclosed Quit Claim Deed (marked "D").

It is therefore requested, that IDWR split the water right on the original farm, and issue the newly created portion of such right to Ingeborg Molyneux, located at the address above. This right would be for Lot 4 in Block 2 of Redhawk Estates Subdivision, and would encompass the 58.72 acres.

Thank you for your help in this matter. Ingeborg can be reached at (208) 823-4366 if you have any questions.

Sincerely,

Ingeborg Molyneux
