	Rate	Conv loss	Total recom

37-20703	0.40	0.02	0.40	
37-363D	0.30	0.02	0.30	
37-363F	0.14	0.16	0.30	
37-363G	0.22		0.22	
unclaimed	0.22		0.22	
total			3.07	

37-363B: The first transfer, transfer 1740, split the original right and recognized both the base right and the split portion for an unspecified place of use. 37-363B moved 2.16 cfs to 360 acres within the "Xed" place of use. The transfer also assessed a 6% conveyance loss for 37-363B, effectively recognizing 2.03 cfs at the field headgate.

Two claims have been filed against allocations right 37-363B, 37-363B for 2.16 cfs and 37-20703 for 0.40 cfs. The property has sense been subdivided and re-subdivided a number of times making it difficult to follow what is appurtenant to which lot, however it does appear that both claims are valid as follows.

37-363B claim: A warranty deed dated October 26, 1986 from Holland Ranch partnership to Glendale Farm Partnership identifies 81.5" (1.63 cfs) being appurtenant to the described property. Assuming 1.63 cfs is recognized the proportionate conveyance loss is $1.63 \text{ cfs} * 0.06 \approx \underline{0.10 \text{ cfs}}$

37-20703 claim: The owner of Glendale Farms signed a quitclaim deed for 0.40 cfs (37-363B) going to Davina and Holly Ltd Part (37-20703). Approximately $\frac{1}{2}$ of the claimed place of use is a part of the transferred place of use for water right 37-363B. Assuming 0.40 cfs is recognized the proportionate conveyance loss is $0.40 \text{ cfs} * 0.06 \approx \underline{0.02 \text{ cfs}}$

The SENE of sec 14 and the SE $\frac{1}{4}$ SW $\frac{1}{4}$ NE $\frac{1}{4}$ of sec 14 were included within the transferred place of use for 37-363B, however, no claims against that right have been filed as of this date.

37-363D claim: This right was claimed as transferred through T-3404

37-363F claim: This right was created through T-3426 and then a subsequent transfer (T-4527) was filed to change the point of diversion. The claim reflects the latest transfer.

37-363G claim: This claim was originally claimed in 1988 by Christina Arrate for 0.22 cfs on 2N, 18E Sec 15 and 16 for a total of 10 acres. T-3492 moves the 0.22 cfs to 5 acres in 2N 19E sec 31 (also known as Lot 52 of the Muldoon Ranch Subdivision). The allocation transfer process recognized adjudication claim 37-363G as the basis of the transfer and then split the allocations base right 37-363E into 37-363G (the new base right for 0.22 cfs and 37-63H Ilhenny for 0.22 cfs. The allocations record 37-363H was used to amend claim 37-363G. The allocations record 37-363G represents the unchanged portion of the original right and no claims have been filed against this portion at this time.

**Re: Davina and Holly Limited Partnership
Notice of Claim - Portion of Water Right No. 37-363
Our File No.: 020024**

Dear Allen:

Enclosed please find the following:

1. Original and one copy of Notice of Claim to a Water Right for a portion of Water Right No. 37-363 by Davina and Holly Limited Partnership, Claimants;
2. Amerititle, Inc. check in the sum of \$25 and my law firm's check in the sum of \$45 representing the total filing fee of \$70 for this Notice of Claim, and
3. An Addendum of Documents to which I will make reference below in explaining the ownership of this Claim and in further support of a request for waiver of any late fee that might be charged for the present filing of this claim.

Please have your office receipt date stamp the enclosed copy of the Notice of Claim and return it to me in the postage prepaid, self-addressed envelope I have included for that purpose.

I have assembled the enclosed Addendum of Documents to help explain the basis for my client's claim to this water right. In October, 1986, Lot 2, Block 1 of Costoff Subdivision was replatted into Lots 2A and 2B (Addendum Exhibit 1). At the same time Holland Ranch Partnership conveyed Lot 2A together with some additional property to Glendale Farm Partnership by a Warranty Deed which specifically referenced the conveyance of 81.5 inches of Water Right No. 37-363 (Addendum Exhibit 2). In October, 1988, Glendale Farm Partnership filed SRBA Claim 37-363B for 101.5 inches of this water right stacked with numerous other rights on 392 acres. We believe this claim was a mistake and should have included only the deeded 81.5 inches of Water Right No. 37-363.

In January 1991, Lot 2A was replatted into Lots 1, 2 and 3 (Addendum Exhibit 3). In October, 1991, a Stipulated Judgment finalized certain litigation which terminated the interest of

Mr. Allen Merritt
April 2, 2002
Page - 2

Holland Ranch Partnership in Lot 2B and conveyed that property to certain trustees (Addendum Exhibit 4). In February, 1992, those trustees conveyed Lot 2B to Peter D. Vandermeulen together with 20 inches of Water Right No. 37-363 (Addendum Exhibit 5). Shortly thereafter in May, 1992, Lot 3 from the replat of Lot 2A and Lot 2B were again replatted to create New Lot 1 and New Lot 2 (Addendum Exhibit 6). New Lot 2, as you will see, was very close in size and location to former Lot 2B. In March, 1993, Mr. Vandermeulen conveyed new Lot 2 to Michael and Shelley Hurless (Addendum Exhibit 7).

The Watermaster informs me that he has at all times since March, 1993 treated Mr. and Mrs. Hurless as the owner of 20 inches of Water Right No. 37-363. Since that time, the Hurlesses have accepted delivery of that water right and paid the Watermaster's fees. At the same time, Glendale Farm Partnership has been billed for and had delivered 81.5 inches of that water right. For whatever reason, none of Holland Ranch Partnership, the trustees, Mr. Vandermeulen, or Mr. and Mrs. Hurless ever filed a claim for 20 inches of Water Right No. 37-363.

Finally, on March 21, 2002, my client, Davina and Holly Limited Partnership, acquired New Lot 2 and the 20 inches of Water Right No. 37-363 from Mr. and Mrs. Hurless (Addendum Exhibit 8). They then obtained a Quitclaim Deed to this 20 inches of Water Right No. 37-363 from both Mr. Vandermeulen and Glendale Farm, LLC, the successor-in-interest to Glendale Farm Partnership (Addendum Exhibit 9).

On the basis of all of this information, my client requests that the \$50 late fee be waived. We also ask that this letter and the Addendum be placed in the claim file. Please call me right away if you have any questions.

Thank you.

Sincerely yours,

IN THE DISTRICT COURT OF THE FIFTH JUDICIAL DISTRICT OF THE
STATE OF IDAHO, IN AND FOR THE COUNTY OF BLAINE

DUNCAN GREENLAND,

Plaintiff,

vs.

WILHELMUS TOUW, et al.,

Defendants.

And Related Cross-Actions.

No. 15053

STIPULATED JUDGMENT

STIPULATED JUDGMENT

Plaintiff Duncan Greenland ("Greenland"), defendants The Lambert Fund, Inc., Henry W. Poett, III, and Daniel B. Murray (hereinafter collectively "the Lambert parties"), defendant William C. Norris (hereinafter "Norris"), and defendant Martin E.

Knestrick ("Knestrick") have entered into a Settlement Agreement and Release ("the Agreement") in connection with the above-captioned action. The above-captioned action and this Agreement both concern title to certain real property described as:

Lot 2-B, Replat of Lot 2, Block 1 COSTOFF SUBDIVISION,
according to the official plat thereof, recorded
October 30, 1986, as Instrument No. 278236, records of
Blaine County, Idaho

and hereinafter referred to as the Holland Ranch Property.

Pursuant to the Agreement, the settling parties hereby stipulate and agree to the entry of judgment as follows:

1. All prior mortgages, liens, deeds of trust, or other encumbrances in favor of the parties to this Stipulated Judgment recorded against the Holland Ranch Property are hereby extinguished and expunged. In particular, the mortgage in favor of The Lambert Fund, Inc., Daniel B. Murray, and Henry W. Poett, III, to secure an indebtedness of \$300,000, recorded on September 2, 1988, as Instrument No. 297926, records of Blaine County, Idaho, is hereby extinguished and expunged. The Lambert parties shall immediately execute, acknowledge, and record a full release and reconveyance of said mortgage.

2. Charles P. Wolff and Barry J. Luboviski, counsel for Greenland and the Lambert parties, respectively, are hereby appointed as co-trustees ("the Co-trustees") for the purpose of taking title to the Holland Ranch Property as officers of the Court and attempting to sell that property for the benefit of Greenland and the Lambert parties.

3. Upon recordation of this Stipulated Judgement, title to the Holland Ranch Property shall vest in the name of Charles P. Wolff and Barry J. Luboviski as Co-trustees pursuant to this stipulated Judgment and as officers of the Court. Any and all rights of ownership of the Holland Ranch Partnership, or any partners thereof, shall be thereby extinguished, except to the extent that such party becomes entitled to a share of the proceeds of sale of the Holland Ranch Property by virtue of this Stipulated Judgment.

4. The Co-trustees shall take all reasonable steps to perform the duties entrusted to them under the terms of the Agreement. In particular, the Co-trustees shall attempt to sell the Holland Ranch Property and shall distribute the net proceeds of sale in accordance with the Agreement.

5. This Court retains jurisdiction over the portion of the Action relating to the title to the Holland Ranch Property for purposes of resolving any differences or disputes between the Co-trustees as to the proper means of implementing the terms of the Agreement related to the sale of the Holland Ranch Property.

6. The following causes of action of Greenland's complaint are hereby dismissed with prejudice:

- a. the Second, Third, and Fifth Causes of Action as against defendants Norris and Knestrick;
- b. the Sixth Cause of Action in its entirety; and
- c. the Seventh Cause of Action against the Lambert parties.

Norris's counterclaim is dismissed with prejudice in its entirety.

7. The Court retains jurisdiction over the remaining causes of action of Greenland's complaint. In particular, the Court retains jurisdiction to determine the amount of damages, if any, to be awarded to Greenland against defaulting defendant Wilhelmus Touw after the sale of the Holland Ranch Property as provided herein.
