Cathy,

As per our phone conversation today, I am sending you a Notice of Claim to a Water Right form, which can be utilized to claim the water right license on your property. For your convenience, I completed much of the claim form for you, utilizing all the information from the existing license. As discussed, this claim has been prepared for domestic use in one home, and the remaining home served will need to file their own claim for their portion of the license. Due to the change in the claimed use (1 home rather than 2), the claim number has been changed to **96-9180A**. If any changes are made, please be sure to initial those changes before signing the claim form. After your review, please return the signed claim form along with the required \$25.00 filing fee to our office at the address listed below.

Please do not hesitate to contact our office if you have any questions or concerns. We can be reached by phone during business hours at 208-762-2800.

Best Regards,

Evan
