Idaho Department of Water Resources

To Whom it may concern:

Our cabin/home at 362 Warren Beach Rd
Coolin, Idaho is drawing water from
the well referred to as the "Claim
to Water Right" priority date July 1, 1936.

My earliest recollection of this water use
by our family is the summer of 1963.
This was the common practice at that
time.

As I now understand the Warren's Claim
to Water Right was limited to an original
fourteen (14) cabin sites. Originally

Mr. & Mrs. Jim Moore have asked for ~~my~~
my recollections regarding their home on
Warren Beach Drive; to my best recollection
a Larry and Jon Pickett built and occupied
the Moore home at 414 Warren Beach Rd.
Mr. Pickett used the same source of
water as the rest of us.

My neighbor, The Hing family, used
and maintained the property as an extension of
their home site, and they irrigated the
Pickett property. This was back in the 1960's.
