NOTES

- The purchaser and/or owner of this parcel understands and agrees that private road construction, maintenance and snow removal shall be the obligation of the owner, his successors in interest, or homeowners association, and that Blaine County is in no way obligated to accept, maintain, or improve these roads, and that each owner shall notify in writing any successor in interest of these facts.
- Individual lot owners are responsible for control of noxious weed per state regulations. Mowing and manual removal are recommended.
- No construction shall be allowed within the power line easement, all residential construction shall be within the building envelope shown hereon.
- This property is subject to the Covenants, Conditions and Restrictions of both Bodner Subdivision, Instrument #279941 and Coyote Bluff Subdivision, records of Blaine County, Idaho.
- A 10 foot public utility easement is centered on all interior lot lines and adjacent to all exterior boundary lines.
- All fire protection requirements of the Wood River Rural Fire District, the Uniform Fire Code and the Blaine County Fire Protection Ordinance including but not limited to water supply, access and clear zones shall be complied with prior to the issuance of any building permits within this subdivision.
- Surface water rights shall be owned by the Homeowners Association for use by each lot owner.
- Native vegetation shall be maintained in its natural state to the greatest extent possible with a maximum of 1/2 acre of yard space to be irrigated by drip system.
- Coyote Drive is a privately maintained road with public access unless and until dedicated to and accepted by Blaine County or the City of Holy.
- All utilities shall be underground.
- All lots in this subdivision may have individual wells as designated and shall have individual septic systems as shown hereon.
- Blaine County and the City of Holy disclaim any and all claims or liabilities for any damage which may result from exposure to any power lines traversing this subdivision or from an inadequate water supply from any source on, surrounding or underneath this subdivision.
- All domestic wells in this subdivision shall be metered.
- No fences within the subdivision shall exceed 41 inches in height and the bottom rail shall exceed 18 inches in height to allow wildlife migration.
- This property is exposed to active productive agricultural land. Residents and purchasers should be aware that agricultural practices and operations occurring day and night are allowed and may result in dust, odors, use and application of agricultural chemicals, spraying, ground preparation, harvesting, etc. In addition, the roads accessing this property are used by agricultural vehicles. Such practices and uses are normal functions on agricultural lands and are not considered nuisances.
- The equestrian, pedestrian and irrigation easements shown hereon are hereby dedicated to the Coyote Bluff Homeowners Association, Inc. unless noted otherwise.
