E. NARRATIVE/REMARKS/COMMENTS

FROM: Georgia Satterlee
DATE: 12 March 1998
RE: 37-08393

On 02 March 1998 at 1000 hrs., I arrived at property located at 1655 E. 1600 S. in Gooding County. I looked for the well and could not find it. Finally Mrs. Harris came out of the house and showed me the pump house where the well is located. The photographs depict the need for some serious house cleaning.

The well is under the rubble and located in the NWNWNE $\frac{1}{4}$ Section 26, T05S, R14E, Gooding County. The well serves one home and stockwater for horses. All uses are located in the NW $\frac{1}{4}$ NE $\frac{1}{4}$ of said section.

The commercial use was for a dairy which is no longer in use and there appears to be no attempt to fire it up.

The measurement made was from two different faucets using a bucket and stopwatch.

The recommendation is for domestic (one home) and stockwater (8-13 horses).

Also, while at the place of use I took photos of what appears to be a portion of the irrigated acreage from claim A37-11247 (waste water) and A37-00359C, -01164J (Big Wood River). Hope it helps down the adjudication rd.
