He called back and had some concerns about his water right. He had met with Nick Treasure (or talked with him) in Twin Falls. They discussed the draft deed I had prepared.

Basically he told me he does not own the entire 160 acres as claimed. I told him it is up to the new owners to come claim their portions of your right. He says they can't do that because the properties were sold w/o water rights! He said he retained part of NENE and SENE ... I told him he doesn't have enough land to justify ownership of this right. I have found 120 AC POA for the 120" right to report. Now appears some of this right is forfeited/abandoned.

He is having trouble getting his right delivered from Soldier Creek. I suggested he call Kelly Dennis, pres. of the water Dist. He should also try to use his water when available to avoid others from taking control of ditches + delivery.

RE: SRBA Claims A37-00503 and A37-13248

Dear Mrs. De Mers:

Our office recently received the signed amended claims referenced above. In reviewing the amendments of the claims it was noted that claim A37-00503 did not have item #8 completed. I have calculated the standard consumptive use for irrigation of 160 acres using the recognized rate of 2.5 acre-foot/ acre irrigated/ annum; I have added the resulting 400.0 acre-foot into item #8 on our electronic record. In reviewing claim A37-13248 it was noted that the legal description for the place of use and point of diversion (items #4 and #10) was only completed to the 160 acre tract. Since we normally require that these descriptions be broken down to the nearest 40 acre tract I phoned the Camas County Assessors Office and they provided me with a more specific description of where your house is located. Using this description I have corrected items #4 and #10 on the electronic record.

Please find enclosed copies of the way the electronic record now exists. Please review this and if it is correct you will not need to do anything but if the corrections made are in error please contact this office.

If you have any questions please feel free to contact this office.

Sincerely,

Allen Merritt, P.E.
Water Rights Supervisor
