RE: Ownership change of Palouse River Basin Adjudication (PRBA) Water Right Claim No. 87-10874

Dear Mr. & Mrs. Quist:

The Department of Water Resources has received your Notice of Change in Water Right Ownership for the Palouse River Basin Adjudication (PRBA) Water Right Claim referenced above. We are unable to make the requested ownership change of this claim for the following reason:

We cannot accept a Deed of Reconveyance as a conveyance document. What we need is a recorded document that shows the transfer of the property from Mr. & Mrs. Gallina to you. In your case that would be a copy of the "Warranty Deed". If you do not have a copy of the above recorded Deed, you can obtain one from your local Records Office. In your case, that would be Document # 621668.

I will hold your change of ownership form for 30 days from today. If I get no response from you, the documents will be returned to you unprocessed. Please send the Warranty Deed back to me at the following address.....

Or you can e-mail it to me at Dawn.Lenon@idwr.idaho.gov

I'm sorry for any inconvenience this may have caused you. If you have any questions, please feel free to call me at 208-762-2800.

Thank you,
