Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 37.

Water is diverted from the Big Wood River into the Bypass Canal where it is rediverted into either the Baseline Canal in the SENW Sec. 25 or into the Dittoe Ditch in the SWSW Sec. 25, T1N, R18E, where it shall remain undelivered and allowed to sink to mitigate for the use of ground water under this right.

Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.

The use of ground water under rights 37-20886, 37-20887, 37-20888, 37-20889, 37-20890, 37-20891, 37-20892 and 37-20893 when combined shall not exceed a total diversion rate of 0.56 cfs, a total annual maximum diversion volume of 98.0 af at the well head, and the irrigation of 28 acres.

Approval of this transfer does not preclude the opportunity for review of the validity of this water right in the ongoing Snake River Basin Adjudication.

The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversion of Big Wood River water for mitigation.

After specific notification by the Department, the right holder shall measure the ground water diversion or shall enter into an agreement with the Department to determine the amount of water diverted from power records and shall annually report the information to the Department.

Diversion of ground water is limited to those times water is available for diversion under this right and priority from the Big Wood River and is actually diverted into the bypass Canal for mitigation purposes.

THIS RIGHT IS A COMBINATION OF OLD RIGHT NOS. 37-30011B AND 37-30011C.

The right holder shall accomplish the change authorized by this transfer within one (1) year of the date of this approval.

This right is a split from former right 37-20893.
