Jeanne,

We noticed we haven't received a signed claim so we thought we would send it one more time to make sure it got to you.

Please let us know if you have any questions!

Thank you!

Jeanne,

Per your conversation with Craig Saxton, I am attaching a notice of claim for license 96-7593 and a claim map. Please look over the claim and make any changes you feel are appropriate. When ready sign the claim and return it to one of the addresses below with a \$25.00 filing fee.

IDWR		IDWR
7600 N MINERAL DR. STE 100	OR	ATTN: ADJUDICATION
COEUR D'ALENE ID, 83815-7763		PO BOX 83720
		BOISE ID, 83720-0098

In addition, please review the claim map, in particular the point of diversion (the yellow dot). If the point of diversion is not in the right place, please cross it out and update the map with the location of the actual point the creek water is diverted from the natural channel. Return the updated map with the signed claim and filing fees.

Please feel free to contact me if you have any questions.
