Case No. 49576) 95-14511, and 95-17232

SCHEDULING ORDER

On April 23, 2021, the parties filed a *Joint Proposed Scheduling Order*. On May 3, 2021, this Court issued a *Scheduling Order*, which incorporated the dates set forth in the parties' *Joint Proposed Scheduling Order*.

The parties initiated discovery in July and August 2021 by serving written discovery requests and noticing several depositions. Also in August 2021, Spackman, Barkley, and Stocking ("Claimants-Respondents") filed a *Motion for Summary Judgment* and related documents. On August 18, 2021—before any parties responded to discovery requests or took depositions and before Nelson and Martell ("Objectors") filed an opposition to Claimants-Respondents' *Motion for Summary Judgment*—the parties filed a *Joint Motion for Stay*, which sought a stay and a vacation of all deadlines set forth in the prior *Scheduling Order*. On August 18, 2021, the Court granted the parties' *Joint Motion for Stay* by issuing an *Order Granting Joint Motion for Stay*. That stay is currently in effect.

Following a status conference held on June 28, 2022, the parties filed another *Joint Proposed Scheduling Order* on July 19, 2021, which was modified by the parties and this Special Master at a scheduling conference on July 21, 2021. Accordingly, the stay of proceedings initially ordered on August 18, 2021 is hereby lifted and the following schedule will govern further proceedings in the above-captioned subcases:
