RE: Rejection of Notice of Claim to a Water Right

Dear Mr. & Mrs. Jackson:

The Idaho Department of Water Resources (IDWR) has received your Clark Fork-Pend Oreille River Basin Adjudication (CFPRBA) Notice of Claim to a Water Right. We are unable to process your adjudication claim for the following reason(s).

The form you submitted was incomplete. I have filled out a new form for you based on the information I could get from your original claim and from our GIS map. Please verify the information I filled in for you is correct and complete the highlighted area(s). If you are using water from your well during construction of a new home, you may also claim DOMESTIC on #6 of your claim form.

If there are any changes that need to be made, cross off whatever needs to be changed, fill in the correct information, and initial the changes. Then sign and date the claim on page 2.

Your claim is currently set to Temporary, and as soon as we receive your completed Notice of Claim, it will be put through for recommendation.

I apologize for the inconvenience, and if you have any questions, please do not hesitate to contact me. I can be reached by phone during business hours at 208-762-2808.

Sincerely,

Dawn R. Lenon
