Re: *Conveyance of Water Rights*

Dear Bellevue Farms Homeowner:

RECEIVED
JUL 30 2004
Department of Water Resources
Southern Region

This firm represents the Bellevue Farms Landowners Association, Inc. ("Association"). The Association's Board members have elected to relinquish any water rights it may own on land owned by each individual lot owner in the Association. To accomplish this purpose, please find enclosed a quitclaim deed ("deed") conveying any and all water rights claimed and/or owned by the Association for your lot, Lot 10, Block 4.

If the ownership interest listed on the deed is not correct, please advise. The ownership on the water right does not have to match the ownership of the underlying land interest. However, it is preferable that the interests match. The Association will delay recording the deed for three weeks from the mailing of this letter. If you wish that the ownership interest on the deed be changed, it will be necessary that you contact the Association within the three-week time period, or the deed will be recorded "as is."

In the 1980's, the State of Idaho commenced a general stream adjudication (lawsuit) named the Snake River Basin Water Adjudication ("SRBA"). The SRBA is a lawsuit to determine and inventory all water rights in the Snake River Drainage, a drainage that includes all but three of Idaho's counties. Since 1987, the State has been decreeing water rights located in individual water basins. The water rights claimed by the Association are all located in Basin 37. The Idaho Department of Water Resources ("IDWR") is currently investigating claims made in Basin 37.

In 1987, the Association claimed all known water rights appurtenant (located on) real property currently encompassing the Bellevue Farms Subdivision. The Association claimed the water rights as an accommodation to protect whatever water right(s) the individual lot owners might have in the SRBA.

THE ASSOCIATION HAS NOT CONDUCTED ANY INVESTIGATION OF ITS OWN TO DETERMINE WHAT WATER RIGHTS ARE ACTUALLY APPURTENANT

*quit claim
map
property description*

(LOCATED ON OR WITHIN) ANY GIVEN LOT WITHIN THE ASSOCIATION. IT IS THE DUTY OF EACH INDIVIDUAL PROPERTY OWNER TO DETERMINE WHAT WATER RIGHT, AND HOW MUCH OF THAT WATER RIGHT, IS APPURTENANT TO HIS OR HER LOT. FUTHERMORE, BY FILING THE CLAIMS, THE ASSOICATION DOES NOT WARRANT OR REPRESENT THAT ANY WATER RIGHT(S) IS/ARE APPURTENANT TO YOUR PROPERTY.

The Association has decided not to defend, pursue or pfect any water rights associated with individually owned lots. Accordingly, it is your responsibility to protect whatever water rights you believe you may own. The procedures and your responsibilities to protect your water rights, if any, in the SRBA ae as follows:

1. Determine Water Rights Appurtenant to Your Lot Enclosed herein is a list of the claims made by the Association in 1987. Each claim contains a description of land for the particular claim. To determine what water right, if any, is appurtenant to your parcel, you will need to review each claim to determine if your lot is covered by the claim. Your next step is to determine the current and/or historical water usage and irrigation (i.e. how many lots are or have been historically irrigated for your lot) to determine how much of any given claim belongs to you.
2. File Amended Claim with IDWR and SRBA - Asserting Claims. Once it is determined what, if any, water right may be appurtenant to your land, it will be necessary for you to file an amended claim for any water right you believe exists on your lot. You may need to contact IDWR for information on filling an amended claim. If you need assistance with this process, you may contact the South Central Office (Twin Falls) of IDWR. The Office is located at 1341 Fillmore St., Suite 200, Twin Falls, Idaho, telephone number (208) 736-3033. Ask for an "adjudication agent" for assistance. You will have to complete and file an Amended Notice of Claim with IDWR (copy of Amended Claim form enclosed). Depending on the nature of the claim, you may have to file an Amended Notice of Claim with the SRBA Court, using Standard Form 4. Both of these forms are enclosed for your convenience.
3. Defending Claims. After the claim is properly filed, you will need to monitor your claim within the SRBA. In approximately December, 2005, the Director for IDWR will be filing a document called a Director's Report for Basin 37, Phase 3. The Director's Report contains IDWR's recommendation for the water rights claimed by you, if any. If you disagree with the recommendation made in the Director's Report, then you are obligated to file a written objection to the recommendation. If you do not object, then your claim will be decreed as recommended in the Director's Report. If you do file an objection, then the SRBA court will assign a case for your right, and the case will be litigated. If you choose to object to the recommendation made in the Director's Report, you have the burden of proof in showing that therecommendation is not correct, and that the water right should be decreed as claimed. You will be provided significantly more information about this process once a Director's Report is filed for this basin.

4. Association Has No Duty to Claim, Assert or Defend Your Water Rights.
Having conveyed the water to each individual lot owner, the Association advises each owner that **THE ASSOCIATION WILL NOT TAKE ANY ACTION IN THE SRBA TO CLAIM, ASSERT OR DEFEND ANY WATER RIGHTS IN THE SRBA. IT IS THE SOLE RESPONSIBILITY OF EACH INDIVIDUAL LOT OWNER TO CLAIM, ASSERT AND/OR DEFEND THEIR OWN WATER RIGHTS IN THE SRBA. THE FAILURE TO CLAIM, ASSERT AND/OR DEFEND WATER RIGHTS WILL RESULT IN EACH LOT OWNER LOSING A WATER RIGHT THAT MAY BE APPURTENANT TO HIS/HER LOT. THE ASSOCIATION EMPHASIZES THAT IT IS THE DUTY OF EACH INDIVIDUAL LANDOWNER TO TAKE ANY ACTION NECESSARY TO FILE OR DEFEND ANY CLAIM TO A WATER RIGHT. YOU ARE ADVISED TO SEEK INDEPENDENT LEGAL COUNSEL TO GUIDE YOU THROUGH THE CLAIMS PROCESS, BOTH WITH IDWR AND WITHIN THE SRBA. UPON QUITCLAIMING ITS INTEREST IN WATER RIGHTS, THE ASSOCIATION WILL TAKE NO FURTHER ACTION TO MONITOR OR DEFEND THE WATER RIGHTS ORIGINALLY CLAIMED BY THE ASSOCIATION.**

Finally, the Association has paid its water dues through 2004. Beginning in 2005, it will be the duty of each individual member to pay his/her own individual water dues.

The Association wishes you the best in successfully asserting your claims. Thank you.

Sincerely,

HAEMMERLE & HAEMMERLE, P.L.L.C.
