I am applying for three types of water rights.

We purchased a cabin on Priest Lake at 168 S Rosalia Bay Road, Coolin, ID in 2008. I didn't realize at the time that I needed to get the name changed on Nadine Finley's Permit for domestic use of water from Priest Lake. I am applying for that now. I used form 42-1409-2. I noted "Nadine Finley Rights" at the bottom of the page.

The water pressure at the cabin is very low. I would like to increase usage from .01 to .04. I have filled out form 42-1409-2 to accomplish that. We plan to increase the size of the pump from a ¼ to a ¾ horsepower pump. The person that we had lined up to do the work this summer is not able to do it due to illness. We hope to find somebody to do it. We would like to eventually use water throughout the year, but the cabin was not built for year-round use. I used form 202. I noted "New .01. - .04" at the bottom of the page.

Thirdly, I am applying for an historical right. I have a letter signed by Nadine Finley, the former owner. She is 92 now but recalls years spent at Priest Lake when she was a child. Please see attached. I'm submitting this application in hopes of being able to claim usage on the site since the early 1900's. I used form 42-1409-2. I noted "historical claim 1928" at the bottom of the page.

Sincerely,

Shannon Whitehead
