Hello:

It has recently come to our attention that any water licenses and permits go back to the state control upon the death of the primary holders even if the estate transfers whole to the heirs. Thus, we want to amend the official license, number 96-08719 and permit number 96-9879 to include our children and grandchild.

Right now, the permit reads Caren, Mark, Aryan G and Akasha C. Riener. Please now *add* Kyiana P. Riener. The original license only had Mark and Caren on it. Please now *add* Aryan G., Akasha C. and Kyiana P. Riener.

Please send us a note verifying this has been done.

Thank You,

A handwritten signature in black ink, appearing to read "Mark Riener", with a stylized, cursive script.
