Dear Water Right Holder:

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water rights to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 287-4920 or debby.judd@idwr.idaho.gov.

Debby Judd

Re: Notice of Change in Water Right Ownership

Hi Debbi

Thanks for returning my phone call so quickly. Much appreciated. I'm resubmitting my Request for Change in Water Right Ownership, this time with the proper filing fee (\$150.00 total for 6 water rights times \$25 fee for each). Thanks for that information.

I've shown the address for the ranch where the water rights are located as the "situs address" and shown my office mailing address separately. My plan was to spend more time at the ranch in Sweet than at the office but that hasn't happened yet so the mail sent to the ranch sometimes sits in the mail box for a week or more.

Please give me a call on my cell phone 951 526 7543 if I've messed up the form or if anything further is needed.

And if possible send stuff in the mail to my office address:

Temecula, CA 92591

Take Care
Norm
