Re: Change in Ownership & Notices of Security Interest for Water Right No(s): 36-10849, 36-16658, 36-16660, 36-16662, 36-16664 and 36-16666

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department also acknowledges receipt of correspondence updating security interest(s) on the above referenced water right(s) to D L Evans Bank and USDA Farm Service Agency. The Department has modified its records and has enclosed a computer-generated report for you. While processing these Notices, the following items were noted:

- We were not able to add Garlic Gods LLP to the water right records at this time. The Warranty Deed provided (Instrument #694442) does not convey the property or water rights to Garlic Gods LLP. Therefore, the water right records were updated to reflect only Geoffrey and Jana Yockey as current owners.
- Northwest Farm Credit Services FLCA is listed as a security interest holder on the water rights referenced above. This security interest was filed in 2017 (Instrument #648727) on behalf of the previous owner, Smith Sunrise Livestock LLC. The Department can remove this particular security interest from the water right records upon written authorization from Northwest Farm Credit Services FLCA.
- USDA Farm Service Agency is listed as a security interest holder on the water rights referenced above. This security interest was filed in 2017 (648728) on behalf of the previous owner, Smith Sunrise Livestock LLC. The Department can remove this particular security interest from the water right records upon written authorization from USDA Farm Service Agency.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 293-9908.

Sincerely,

Denise Maline
