Re: Water rights on the Salmon River and Lake Creek

Department of Water Resources
Eastern Region

To Whom This Concerns:

I purchased Lot 10 of Ponderosa Estates in Lemhi County, Idaho in August 2008. The purchase included water rights to the Salmon River and Lake Creek. From the time of my purchase August 2008 until I sold the property in March 2021, I pumped water (during May to October) out of the canal on my property, or directly from the Salmon River when the canal was dry and under repair.

When I sold this property to Gary and Linda Leuzinger in March 2021, I also sold them the pump and hoses which I used to pump water out of the canal and/or Salmon river.

Do not hesitate to contact me if you require additional information or have questions. I can be reached at (435) 535-6165, email: herding.catz@yahoo.com or at 4206 W Ascot Downs Drive, South Jordan, Utah 84009.

Sincerely,

Cathy Szumigala
