Subject: [EXTERNAL] RE: Stricker Ranch - Hansen Id Survey

External Email - This Message originated from outside J-U-B ENGINEERS, Inc.

Greetings Tom,

Thank you again for your assistance and the survey work you have done for ISHS. In review a few questions came up regarding the survey. If this is a duplicate email my apologies.

The purpose of the survey was to locate on the survey each of the recorded encumbrances listed on the preliminary title commitment as exceptions to coverage (attached Commitment 5 29 2022). The exceptions which need to be located are listed as numbers 11 – 15 on the attached preliminary title commitment. Those are:

11. Power Line Easement from Lucy G. Stricker, to Idaho Power Company, recorded July 28, 1928, as Instrument No. 210390, records of Twin Falls County, Idaho.
12. Access Easement from The Idaho State Historical Society, to Ken Milberry Enterprises, recorded April 12, 1990, as Instrument No. 968886, records of Twin Falls County, Idaho.
13. Access Easement from Ken Mulberry Enterprises, to the Idaho State Historical Society, recorded April 18, 1990, as Instrument No. 969133, records of Twin Falls County, Idaho.
14. Easement Agreement by and between Robert and Kathi Meyers, individually and as husband and wife and Kenneth and Jennifer Mulberry, individually and as husband and wife, recorded March 21, 2011, as Instrument No. 2011-005716, records of Twin Falls County, Idaho.
15. Easement Agreement by and between Kenneth and Jennifer Mulberry, individually and as husband and wife and Robert and Kathi Meyers, individually and as husband and wife, recorded March 24, 2011, as Instrument No. 2011-005976, records of Twin Falls County, Idaho.

Can you please locate these on the survey? TitleFact should be able to provide you with copies of the underlying documents, if you don't already have them.

TitleFact, in prior communications, had referred to the first legally described parcel as "Parcel 1" and the second legally described Parcel as "Parcel 2." Can you also please label the two parcels identified on the survey as "Parcel 1" and "Parcel 2."

Thank you again.

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 293-9908.

Sincerely,

Denise Maline
