RE: Assignment of Permit Water Right Permit Nos: 65-13974 and 65-23479

Dear Interested Party:

The Idaho Department of Water Resources (Department) received an Assignment of Permit (Assignment) from you on June 3, 2022 for the above referenced water permits. The Assignment was not processed because permit 65-13974 was relinquished on September 21, 2017 and an Assignment for permit 65-23479 was previously submitted on January 5, 2015. It appears that Northwest Farm Credit Services FLCA was not properly added as an owner, this has been corrected. I've enclosed a water right report reflecting Northwest Farm Credit Services FLCA as an owner of permit 65-23479.

The Department is returning your Assignments of Permit. A refund of \$50 has been requested and will be mailed to Northwest Farm Credit Services under separate cover from the Idaho State Controller's Office.

If you have any questions regarding this matter, please contact me at (208) 287-4920 or debby.judd@idwr.idaho.gov.

Sincerely,

A handwritten signature in blue ink, appearing to read "Debby Judd", is written over a light blue circular stamp.
