This application proposes the diversion
and use of water from Jesse Creek a
tributary of the Salmon Wild & Scenic River.
The decreed minimum stream flow rights
for the federal Wild & Scenic Rivers are
subordinate to certain categories of water
use and to specific amounts of water use
established after the minimum stream flow.
The water use proposed in this application
will benefit from the subordination provi-
sion because the diversion rate and acres
will be applied to the subordination amounts
specified in the decree for the Wild &
Scenic River listed above.
