WATER AGREEMENT  
BETWEEN  
Ken Bobert at 1591 Goodrich Road  
And  
Gary Gallant 1677 Goodrich Road

Gary Gallant is to supply information on their current well water output by a certified well company. The test results will be for Gallons per minute (GPM) / Pounds per square inch (PSI) to establish a baseline on their well water. This information will be shared with Ken Bobert. This certified information will be paid by Gary Gallant.

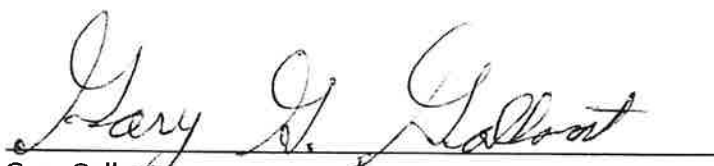

If Gary Gallant experiences a shortage of well water, only while Ken Bobert is irrigating the front pasture, Ken Bobert will cease irrigation immediately of front pasture.

After the irrigation by Ken Bobert has ceased, Gary Gallant will have his well water output checked by a certified well company for the GPM/PSI. The results of this test will be shared with Ken Bobert and paid for by Gary Gallant.

Gary Gallant and Ken Bobert will then mutually agree on the course of action to be taken after the results of the well test are completed and read by each party. The course of action will be either to agree that Ken Bobert can continue irrigation, or if irrigation shall cease for a mutually agreed time period.

This Water Agreement is only valid while Ken Bobert is irrigating his front pasture.

This Water Agreement shall go with the well heads of each property no matter who the current land owners are.
