RE: Snake River Basin Adjudication (SRBA)
Notices of Claim #A86-10422, A86-10423 & A86-10424

Dear Claimants:

Thank you for submitting the change of ownership form for Notices of Claim #A86-10422 and #A86-10423; we have changed our records to reflect your new ownership and have enclosed a copy for your file.

However, we have also noticed that Taylor and DePartee had a third claim (#A86-10424) for domestic water use in the NW¼ of Section 21, Township 38 North, Range 03 West. Since you did not include Claim #A86-10424 on the change of ownership form, we must conclude that this claim should remain in the names of Taylor and DePartee. If this is incorrect, please complete the change of ownership form enclosed and send it to my attention.

Additionally, we feel you should be informed that IDWR conducted field examinations of all three claims in 1992. At that time, we were unable to find any beneficial use of water on this property within the last 20 years.

Therefore, IDWR is proposing to recommend these claims for disallowal. If, however, you have information supporting the water uses claimed, please submit it to this office and it will be incorporated into our review of the claims.

If you have any questions or concerns, a message can be left for me toll-free at 1/800-451-4129, or you may contact me directly at 208/327-7939.

Sincerely,

Carter Fritschle

If your address above is correct, please sign your name at the bottom of this letter, and return it to this office. Otherwise, please make the proper corrections, sign, and return this letter. Thank you for your help. We hope to assure that you and your co-claimants Earl N. De Partee and Twilla D. Taylor receive future notices about SRBA matters.

If the ownership of the property to which the water rights referenced above apply has changed, please call this office toll-free at 1-800/451-4129 to obtain a form to make this required change to the claim record.

I phoned the above number, but no answer. This property was sold to Herman E. and Ethel Renfrow, 1501 Little Bear Ridge, Troy, Idaho in 1993. Earl N. DePartee does have a new address, but it probably is not necessary at this time. My address is 6555 N Linder Rd., Meridian Idaho 83642 and Twilla Taylor is now deceased. Any correspondence concerning this matter should be sent to me as Earl is quite elderly and unable to handle business at this time. Wallace DePartee

RE: Snake River Basin Adjudication (SRBA)

Dear Mr. and Mrs. De Partee:

I am writing in response to our telephone conversation of April 2, 1993. Your statement that there is no current beneficial use of water corresponding to your three notices of claim concurs with IDWR's field investigation of your claims. Consequently, your claims will be recommended for disallowal by the SRBA court. IDWR will reconsider its recommendations if you provide evidence of priority and convincing evidence that the water uses exist.

A Request for Withdrawal of Claim form is enclosed. However, filing fees are generally not refunded after IDWR has made an effort to verify a claimed water use.

If you have any questions, please contact me at 327-7934 in Boise.

Sincerely,

Shelley Walter Keen

Dear Sir:

We bought the property behind the Dougherty Place - with claims # A86-10422, A86-10423 and A86-10424 - in the early 1950's. We didn't have any electricity so Maude Dougherty said we could use her water anytime we need to - we used it for filling a tank with water to spray, to fill a tank with water during harvest in case of fire and for drinking water.

By and by Maude moved to town during the winter - we continued to use the water - then Maude moved to town permanently - the house has been vacant ever since but we have continued to use the water for spraying.

Lawrence Heimgartner, who rented the farm land, kept the water system operating as long as he farmed ^{until} around 1980 - when he retired his nephew rented the land and Lawrence continued to keep the water system

MICROFILMED

operating for several years - as long as he was able -

Since there isn't any electricity we drop the hose from the tank in the water and fill the tank with the motor on the truck - the motor on the truck pumps 100 gallons a minute.

Maudie is deceased - we bought the Dougherty Place 3 years ago from Maudie's sister and 2 brothers who inherited the place - they live in Southern Idaho and don't really know what went on up here - a neighbor and his wife knew we used the water but they are both deceased - Lawrence doesn't really know what is going on at this time - the next closest neighbor is 2 miles away.

Perhaps your field examiners talked to the people who live in the deceased neighbor's former home - we aren't acquainted with them and they wouldn't know anything about the water or how or who was using it -

The water is off the county road on a private road so passers by or newcomers wouldn't know anything about the water.

So the water is being used and has been for many years.

She also explained the historic use of the water on this property and she will supply a written narrative describing this use.
