Subject: Re: Application for Permit Question

Adam, thank you for the question, yes I believe the property on the right is correct. The parcel description per tax records is

26-57N-5w
NENESE

Please let me know if I can help with any other questions.
Michael

Michael,

I have a clarifying question for you regarding your online application for permit. I have attached the map you submitted, and it appears there may have been one too many properties identified as the place of use. Could you confirm you only own the place of use on the right side of the map? It appears Gregory Jones may own the parcel on the left side of the map. Thank you for the clarification.

Adam
