Mr. or Mrs. Fournier:

There is an error on line 4 of your Application for the Spring legal description. The attached IDWR map shows the location of your spring with a bright green dot in the Northwest (**NW**) quadrant.

Please print out the attached copy of page 1 of the Application (96-11672) and correct line 4 of your application to read with a 'NW' in each of the columns. Please initial and date the correction and return it to me via e-mail attachment or U.S. mail.

I will also send you a copy of this e-mail with attachments , to make the correction, if you do not have access to a printer.

Mr. and Mrs. Fournier:

Please review the e-mail attachments to this message for a Draft (Don't Return) Application with map and a partially completed Application and map for your use to finish the Application process. I am also using U.S. mail to send you a partially completed Application and map to label and return to IDWR along with your filing fee. We need to use a color map because our scanners have problems with different shades of grey on black and white printed maps.

Please give me a call at (208) 762.2816 to review the yellow highlighted areas on the Draft Application and map. There are a couple of things in your Claim, and the incomplete Application that IDWR received, that we need to discuss before you submit your final Application, labeled map and filing fee
