Mr. Birkhimer:

Your Application For Permit has been assigned Id number 96-11453. I have attached a copy of Page 1 of your Application.

The last correction we got from you does not include the full legal description for the Spring (Cistern). The empty ¼ block on Line 4 must be filled in. Based on the map you provided , I believe the correct entry for this block, is '...NW...'

Please write in the correct entry in the empty ¼ block on Line 4, initial and date it, and send it to me at the address in my signature block below. I'm mailing you a copy of Page 1 of Application, via U.S. mail, today on which you can make the correction if you don't have access to a printer to print out the attachment.

Thanks,

Shaun Maxey
