Dear IDWR,

I would like to revise my initial application for permit No. 86-12155 prior to the advertising period.

Initially I had filed for irrigation from a spring source. I would like to change that to reflect Domestic use which includes $\frac{1}{2}$ acre irrigation on my property. The Place of Use (POU) has been updated on the new forms enclosed to include additional quarter-quarter descriptions.

Thank you,

Rivie Ann Wolff
