RE: Application for Permit No. 65-24144

Dear Applicant(s):

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the IDAHO WORLD on 7/6/2022 and 7/13/2022. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

Jean Hersley

Watermaster:

The Idaho Department of Water Resources (IDWR) is seeking written comment and/or recommendations from you regarding the above referenced water right application. You can find a copy of the application at: <https://idwr.idaho.gov/apps/ExtSearch/WRAJSearch/WRADJSearch.aspx>. Please review the application, then complete the enclosed recommendation form and return it to this office by July 25, 2022.

If the application is approved, IDWR will include appropriate standard conditions of approval for a water right located within a water district, such as regulation by the watermaster, lockable controlling works, and/or measuring devices. Any special conditions or other concerns you have related to this application should be specifically addressed in your recommendation.

IDWR can finish reviewing an unprotested application as soon as the protest period has past. Your prompt response to this request will ensure that your recommendation can be considered. If IDWR has not received your written recommendation by July 25, 2022, IDWR will presume that you do not oppose approval of the application and that you have no comments for IDWR to consider.

Please contact the Western Region office at (208) 334-2190 if you have any questions regarding the application.

Subject: Water Right Permit Application 65-24144

Dear Mr. Rad,

As we talked about in our phone conversation, please amend **Item 4**. Location of the point of diversion (POD) to the Middle Fork Payette River.

You may add your wife to the application, please make sure to indicate how you would like your names connected (and, or, and/or).

Any changes to your original application should be made by crossing out the old values, writing in the new values, and adding the date and your initials next to the changes.

Please submit the requested information within the next thirty (30) days for the application to be processed. You may seek additional time to provide the information by making a written request to interrupt processing for up to six months. If IDWR does not receive your written response within **thirty (30) days**, a refund will be issued for this filing.

Regards,

Allen Bradbury
