RE: Recharge for Permit No 36-08745 for 2021

Dear Sirs,

Nelsen Dairy recharged the aquifer as per the requirement of our permit as follows:

April 15th thru October 15th, 2021 Flow rate: .5 CFS = .99 Acre-foot per day. This rate occurred for 150 days. (180 Days- 30 days for plugged headgate etc) $150 \text{ Days} \times .99 \text{ acre ft/day} = 148.5$ acre feet total recharge.

$148.5 \text{ (2021 recharge)} - 62.71 \text{ (2021 use)} = 85.79 \text{ acre ft of extra recharge.}$

If you have any questions please contact me at the above phone number.

Thank you,

Cade Nelsen
