Subject: Permission for Idaho Power Co. to discuss water right issues associated with Gennette rights 51-24A and 51-26A

Dear Mr. Miller,

I have an agreement in principle for Idaho Power ~~for them~~ to purchase a portion of my property along the Bruneau River. Prior to the sale, the water rights associated with my property need to have the ownership transferred from my father's name (Leslie Gennette) to my wife Alice and I. We purchased the property from my dad in 1998 but failed to transfer the water rights. We also need to change the point of diversion (POD) on the water rights that will be sold to Idaho Power, as well as their place of use (PPU).

Through this letter, I am granting Idaho Power the right to discuss these transfers with the Idaho Department of Water Resources and submit the paper work to execute these changes.
If you have any questions, please contact me at (208) 845-2377

Sincerely,

Lance Gennette
