RE: Change in Address for Water Permit No: 63-32143

Dear Applicants:

The Idaho Department of Water Resources received your Change in Address on June 10, 2019. The purpose of this letter is to notify you that we are unable to process your request.

A letter was sent to you on June 11, 2019 confirming that the request was processed; however, it was discovered that the form was not signed. Without a signature the form cannot be processed. Due to this, the information in the Department's system has been reverted to the old address until the form is signed.

Because the Department cannot process this request at this time, we are returning the Change in Address to you. Please return the form to the Department with a signature so that the Change in Address can be processed.

If you have any questions regarding this matter please contact this office at 208-334-2190.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Kensie Thorneycroft'.
