Re: Name Change to Veolia Water Idaho, Inc.

To Whom it May Concern:

Enclosed with this letter is a Change in Address form for water rights whose ownership currently is reflected in the Department's records as "United Water Idaho Inc.", "SUEZ Water Idaho Inc.", and "Eagle Water Company, Inc." The purpose of filing this Change in Address form is to update the Department's records to reflect a corporate name change to "Veolia Water Idaho, Inc." The Idaho Secretary of State filing that effectuated this name change also is enclosed with this letter.

By way of background, a merger between Veolia Environment S.A. and SUEZ S.A., both of which are French *société anonyme* (the French equivalent to corporations) closed on January 18, 2022. In March 2022, regulators in Europe provided antitrust clearance for the transaction, which cleared the way for Veolia and SUEZ to commence the integration of the Veolia North America and SUEZ North America businesses, which includes SUEZ Water Idaho Inc. (Veolia North America and SUEZ North America are the USA-based subsidiaries of the French parents.) As part of the integration, the SUEZ North America businesses are being rebranded to the Veolia brand—hence, the name change to Veolia Water Idaho, Inc.¹

¹ As part of a prior rebranding in 2015, SUEZ S.A. changed the name of "United Water Idaho Inc." to "SUEZ Water Idaho Inc." by filing appropriate documentation with the Idaho Secretary of State's office. SUEZ Water Idaho Inc. has not previously requested that the Department update its records to reflect this name change. Accordingly, the Department's records for most of the company's water rights still reflect "United Water Idaho Inc." For purposes of transparency and clarity, the Change in Address form enclosed with this letter is

We are filing the enclosed Change in Address form (since a company name is part of the address) and not a Notice of Change in Water Right Ownership because the merger of the French companies did not change ownership of the SUEZ Water Idaho Inc.'s assets, including its water rights. Veolia Water Idaho, Inc. is the same Idaho corporation as SUEZ Water Idaho Inc. (and before that, "United Water Idaho Inc."), and continues to own the same assets. The Idaho Public Utilities Commission has been informed of the name change to Veolia Water Idaho, Inc. and we do not anticipate that any other Commission filings or proceedings will be required to implement the name change. Simply put, the name change does not reflect any change to the ownership of assets in Idaho or the company's on-the-ground operations in Idaho.

To be clear, the merger between Veolia Environment S.A. and SUEZ S.A. will not change how the water rights are, or could be, used. Those water rights will of course remain subject to Idaho's water laws restricting the use of water rights generally, and municipal water rights specifically. Any changes to Veolia Water Idaho, Inc.'s water rights (including their place of use or purpose of use) would have to be approved by the Department, and the IPUC also would have to approve any actions that would affect or impair the company's ability to serve its customers.

Please let me know if the Department needs any further information to update its records to reflect the name change to Veolia Water Idaho, Inc. We look forward to continuing to work with the Department concerning the company's water rights.

Sincerely,

Christopher H. Meyer

Enclosures:

Change in Address form, with Attachment A (list of water rights)
Idaho Secretary of State submission re name change

intended to update all of the relevant water right records to reflect the new name "Veolia Water Idaho, Inc." This includes six water rights formerly owned by Eagle Water Company, Inc. which are now held in the name of SUEZ Water Idaho Inc. As explained in a note on the last page of Attachment A to the enclosed Change in Address form, SUEZ Water Idaho Inc. acquired all of Eagle Water Company, Inc.'s assets (including its water rights) and submitted the relevant deed to IDWR in January 2022. As of this date, IDWR has not yet updated its records to reflect the ownership change from Eagle Water Company, Inc. to SUEZ Water Idaho Inc. Accordingly, those six rights are listed on the form in the name of Eagle Water Company, Inc.
