Re: Change in Ownership & Notice of Security Interest for L & S Land Holdings LLC (*See attached lists*)

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department also acknowledges receipt of correspondence amending the security interest of the above referenced water right(s) to *MetLife Real Estate Lending LLC, c/o MetLife Investment Management LLC*. The Department has modified its records and has enclosed a computer-generated report for you.

While processing these Notices, the following items were discovered:

- Metropolitan Life Insurance Company, c/o MetLife Investment Advisors is also currently listed as a security interest holder on a number of the water rights listed on Exhibit A attached to the Notice of Security Interest. This security interest was added on behalf of Box Canyon Land Holdings LLC in 2019, associated with loan #200129. If this is no longer current, this security interest can be removed with written authorization from the security interest holder.
- Water Right No. 36-10395 is listed on Exhibit A attached to the security interest, however this is no longer a valid water right. This water right is now considered forfeited per water right transfer no. 85137, which was processed in December, 2021. A refund will be processed for this overpayment.
- Exhibit A (List of Water Rights) attached to the Change in Water Ownership listed 33 water right numbers to be updated. The correct fee for this Notice is \$825.00; however \$850.00 was paid, resulting in an overpayment of fees.
- Water Right No. 36-2445 is listed twice on Exhibit A attached to the Change in Ownership, making this a duplicate listing. Furthermore, this water right is not appurtenant to the property owned by L & S Land Holdings LLC, and the ownership could not be changed on this water right. In addition, security interest was not added to this water right. A refund will be processed for this overpayment.
- Water Right No(s). 36-7736, 36-7939A, 36-7939B, 36-8803 and 36-10433 are currently in the name of L & S Land Holdings LLC per a change in ownership that was processed in January, 2020. A refund will be processed for this overpayment.

Per the items noted above, a refund in the amount of \$250.00 will be submitted for processing and will be sent to TitleOne in Burley, Idaho under separate cover.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 293-9908.

Sincerely,

Denise Maline
Administrative Assistant 1
