RE: Application for Permit No. 63-34879

Dear Applicant(s):

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the PRESS TRIBUNE on 4/16/2020 and 4/23/2020. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Kensie Thorneycroft'.

Re: Water Right Application Incomplete - Returned

Dear Applicant:

This office received your application on March 18, 2020. The application cannot be accepted into the records of the Idaho Department of Water Resources (IDWR) until the following items are addressed:

- **3 – Source**
 - The Snake River is a tributary of the Columbia River. Please mark this correction.
- **4 - Point of Diversion**
 - The table in item #4 must match the provided map. *Please mark a point of diversion on the map.* The map indicates that the property is located in Twp 03N Rge 05W Sec 14 Govt Lot 1 NE NW, and therefore if the point of diversion will be located on the property, the table in item #4 should be corrected to match this location.
- **9 - Place of Use**
 - The table in item #9 must match the provided map. The map and Wilder Irrigation receipt indicates the place of use is Riverfront Estates lot 14 Block 1. Therefore, the place of use table should be Twp 03N Rge 05W Sec 14 Govt Lot 1 NE NW.
- **11 – Ownership**
 - Please indicate who the property owner is at both the point of diversion and the place of use. If one and/or both are not owned by you, complete item 11c as well.

The original incomplete application is enclosed. Please make the necessary amendments to the original form and re-submit within the next thirty (30) days. If IDWR does not receive your written response within thirty (30) days, a refund will be issued for this filing. This letter is an attempt to ensure that your application is complete in order to establish a priority date. You may receive future correspondence regarding more specific details of your application.
