RE: Change in Ownership Water Right No: 75-4052A

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

- X Evidence of Water Right Ownership: copy of Deed, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question – You submitted one page of a “read and approved” version of a deed. Please submit a full copy of the notarized deed.

Because the Department cannot process the Notice without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 287-4920 or debbyjudd@idwr.idaho.gov.

Sincerely,

Debby Judd
