RE: Application for Permit No. 65-24118

Dear Applicant(s):

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the STAR NEWS on 5/5/2022 and 5/12/2022. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

Jean Hersley
Technical Records Specialist

The following application(s) have been filed to appropriate the public waters of the State of Idaho:

Dear LEGAL NOTICE DEPARTMENT:

Enclosed you will find a legal notice which we wish to have published in the Star News on the dates indicated (once a week for two consecutive weekly issues). If you cannot publish the notice on the proposed dates, please contact us immediately. An affidavit of publication must be submitted to the Department along with the publication bill. Please send the affidavit and bill to the Western Region office, 2735 Airport Way, Boise, ID 83750-5082 before May 23, 2022. Your cooperation is appreciated.

Sincerely

Watermaster:

The Idaho Department of Water Resources (IDWR) is seeking written comment and/or recommendations from you regarding the above referenced water right application. You can find a copy of the application at: <https://idwr.idaho.gov/apps/ExtSearch/WRAJSearch/WRADJSearch.aspx>. Please review the application, then complete the enclosed recommendation form and return it to the Western Region office by May 23, 2022.

If the application is approved, IDWR will include appropriate standard conditions of approval for a water right located within a water district, such as regulation by the watermaster, lockable controlling works, and/or measuring devices. Any special conditions or other concerns you have related to this application should be specifically addressed in your recommendation.

IDWR can finish reviewing an untested application as soon as the protest period has past. Your prompt response to this request will ensure that your recommendation can be considered. If IDWR has not received your written recommendation by May 23, 2022, IDWR will presume that you do not oppose approval of the application and that you have no comments for IDWR to consider.

Please contact the Western Region office if you have any questions regarding the application.

RE: Application for Permit 65-24118

Dear Interested Party:

The Department of Water Resources is notifying you of an application for amendment of permit that may be of interest to you. A full description concerning property location may be found at: <https://idwr.idaho.gov/apps/ExtSearch/WRAJSearch/WRADJSearch.aspx>.

You are receiving this letter as your point of diversion (POD) and the proposed POD are the same or the POD is located on your property.

If you desire to file a formal protest against approval of the application, a written protest along with the \$25 protest fee for each application protested must be received by April 4, 2022. Notice of Protest forms are available on our website, www.idwr.idaho.gov.

Please contact the Western Region office at (208) 334-2190 if you have any questions regarding the application.

Sincerely,

Jean Hersley
Technical Records Specialist II

Dear Mr. Brown,

The purpose of this letter is to request additional information related to your application for the permit #65-24118, submitted on March 15, 2022. To continue processing your applications, the Idaho Department of Water Resources (IDWR) needs you to provide evidence of permission from the landowner at the point of diversion.

Please submit the requested information within the next thirty (30) days for the application to be processed. You may seek additional time to provide the information by making a written request to interrupt processing for up to six months. If IDWR does not receive your written response within **thirty (30) days**, a refund will be issued for this filing.

IDWR forms and other information are available on the Internet at www.idwr.idaho.gov. Please reply to this email or contact me at 208-334-2190 if you need more information. Thank you for your attention to these matters.
