Re: 63-31462 water bank

Dear Mr. Byer:

The underground water rights (#63-31462) for the 21 acres at 8475 Stewart Road, Meridian, Idaho, are presently in the "Water Bank" to year 2023. I am requesting that these rights be removed and terminated from the "Water Bank" immediately since they are not presently being leased or rented.

The 21 acres has been split and is presently being purchased by a single party. A portion of these water rights were included in the property sale and will be transferred to the new owner once the sale is complete in August, 2021.

Sincerely,

Timothy Welebir
