4. Service mailing address 7935 W Stack Rock, Boise, Idaho 83714

6. Basis of protest (including statement of facts and law upon which the protest is based)  
Unable to find map of division of water that may impact my long standing well.  
Diversion of water that fills wells will need to be reviewed for legal authorization and impact to the well.  
The point of diversion will need to be in a place that doesn't impact other homes on long standing wells as those homes have been in place long before Dry Creek.

(additional pages may be attached to describe nature of the protest)

7. What would resolve your protest? Actual sharing of information, discussion, and review of potential impact to my land and other land/well owners in the area. Simply taking ground water is not acceptable.

I hereby, acknowledge that if I, or my designated representative, fails to appear at any regularly scheduled conference or hearing in the matter of which I have been notified at the address above, the department may issue a notice of proposed default against me in this matter for failure to appear. I also verify that I have served a copy of this protest upon the applicant.
