NOTICE OF PROTEST

This form may be used to file a protest with the department under sections 42-108B, 42-203A, 42-203C, 42-211, and 42-222, Idaho Code. The department will also accept a timely protest not completed on this form if it contains the same information.

1. Matter being protested Application for Amendment of Permit 63-32423

2. Name of protestant Michael Rishel

3. Protestant's Representative for service (If different than protestant)

4. Service mailing address 10235 Jay Road, Boise Idaho

5. Service telephone no. (208) 695-6142 Email Address: kmrishel@gmail.com

6. Basis of protest (including statement of facts and law upon which the protest is based)

The monitoring program has been critical to determining the impact of development on the pre-existing Snake River Aquifer (groundwater) rights of the residents surrounding the Dry Creek Subdivision. A hearing to review the last 10+ years of data and current concerns of reduced water levels would be prudent especially with the changes in water practices in the affected areas. 1) fewer septic systems 2) less flood irrigation 3) multiple years of drought.

(additional pages may be attached to describe nature of the protest)

7. What would resolve your protest? A thorough review of the data in a hearing with all affected parties.

Continuation of the monitoring program to determine the impact of the additional water usage request.

Continued open conversation with the developers. Ideally prior to filing an application of Amendment to the Permit in the future.

I hereby, acknowledge that if I, or my designated representative, fails to appear at any regularly scheduled conference or hearing in the matter of which I have been notified at the address above, the department may issue a notice of proposed default against me in this matter for failure to appear. I also verify that I have served a copy of this protest upon the applicant.

Signed this 1st day of April, 2022

Michael Rishel

Protestant's Representative

NOTE:

A protestant is required to timely file a protest with the department together with a \$25.00 protest fee for each application being protested in order for the protestant to be considered a full party by the department. In addition, the department's Rule of Procedure, IDAPA 37.01.01203, requires a protestant to send a copy of a protest to the applicant.

INSTRUCTIONS

1. The matter being protested must be clearly identified. A typical matter is identified by the application number such as "Application for Permit No. Amendment of 63-32423 in the name of Dry Creek Water Co. LLC" or "Application for Transfer No. _____ in the name of _____."
 2. Show the name of the protestant. Only one (1) protestant may be shown per protest form. If this protest form is signed by more than one person, the hearing officer will consider the first signer as the official protestant and the representative for service of documents.
 3. If the protestant is represented by an attorney or other authorized representative, show the representative's name. The department then will serve documents on the representative and upon the protestant if specifically requested.
 4. Show the address where the department is to serve the documents. This should be the address of the authorized representative unless the protestant does not designate a representative.
 5. Show the telephone number of the authorized representative unless the protestant does not designate a service representative.
 6. Specifically describe the nature of the protest.
 7. Describe the relief being sought by the protestant.
