RE: Application for Permit # 63-35183, Heather & Michael Benson 6619 E. Lewis Lane Nampa, Idaho 83686-9013

Dear IDWR:

Nampa & Meridian Irrigation District (NMID) does not oppose approval of this application for the domestic use. As to the proposed irrigation use, so long as it is conditioned with the "standard supplemental use" condition to insure that the ground water use for irrigation remains supplemental to the existing surface water rights supplied by NMID, as indicated in the materials received with this application.

Should you have any further questions regarding this letter, please feel free to give me a call.
