RE: Change in Ownership Water Right No. 13-7604

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Additional Information/Application:** The department acknowledges receipt of your application updating the ownership of water right number 13-7604. There are some discrepancies in the place of use of the water right and your property. Because your property is not covered by the place of use of the water right, a transfer application is required (application attached). Please review the map attached. A copy of this letter is also being sent to Zach and Trisha Buetler, it appears they had intentions to file an Amended claim that may also affect this application.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
