- District No. 01.
- |    |     |                                                                                                                                                                                                                                                                                                             |
|----|-----|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 4. | R43 | The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversion(s).                                                                                                  |
| 5. | R59 | This right when combined with all other rights shall provide no more than 3.5 afa per acre at the field headgate for irrigation of the place of use.                                                                                                                                                        |
| 6. | 004 | This right does not grant any right-of-way or easement across the land of another.                                                                                                                                                                                                                          |
| 7. | T07 | The right holder shall accomplish the change authorized by this transfer within one year of the date of this approval.                                                                                                                                                                                      |
| 8. | T08 | Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.                                                                                                                                                                   |
| 9. | T19 | Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as determined by the Snake River Basin Adjudication court in the final unified decree entered 08/26/2014. |
