Re: Water Right Application Incomplete - Returned

Dear Applicant:

This office received your application on February 23, 2022. The application cannot be accepted into the records of the Idaho Department of Water Resources (IDWR) until the following items are complete:

- **Period of Time to complete the project works and application of water to the proposed beneficial use**
 - Estimate the time required for completion of work and application of water to the proposed use. The minimum term of a permit is one year. A development period of up to five years may be requested.

-While not required for the application to be considered acceptable for filing, clarification on item 8e.) could be helpful to the application process. (provide clarification on if total number of stock consists of 50 mixed animals in total or if 50 each of horses and cattle are desired)

The original incomplete application is enclosed. Please make the necessary amendments to the original form and re-submit within the next thirty (30) days. If IDWR does not receive your written response within thirty (30) days, a refund will be issued for this filing. IDWR forms and other information are available on the Internet at www.idwr.idaho.gov. Please consult the IDWR website or contact this office at 208-334-2190 and ask for the "office day person" if you have any questions about the necessary information or fee.

Sincerely,

Western Region Water Rights Staff
