RE: Application for Permit No. 65-24117

Dear Applicant(s):

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the IDAHO WORLD on 4/7/2022 and 4/14/2022. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact the Western Region office at (208) 334-2190 if you have any questions regarding the application.

Sincerely,

Jean Hersley
Technical Records Specialist

Watermaster:

The Idaho Department of Water Resources (IDWR) is seeking written comment and/or recommendations from you regarding the above referenced water right application. You can find a copy of the application at: <https://idwr.idaho.gov/apps/ExtSearch/WRAJSearch/WRADJSearch.aspx>. Please review the application, then complete the enclosed recommendation form and return it to the Western Region office by April 25, 2022.

If the application is approved, IDWR will include appropriate standard conditions of approval for a water right located within a water district, such as regulation by the watermaster, lockable controlling works, and/or measuring devices. Any special conditions or other concerns you have related to this application should be specifically addressed in your recommendation.

IDWR can finish reviewing an unprotested application as soon as the protest period has past. Your prompt response to this request will ensure that your recommendation can be considered. If IDWR has not received your written recommendation by April 25, 2022., IDWR will presume that you do not oppose approval of the application and that you have no comments for IDWR to consider.

Please contact the Western Region office if you have any questions regarding the application.

Re: Application for Permit

Dear Applicant:

This office received your application for permit on February 07, 2022. The application cannot be accepted into the records of the Idaho Department of Water Resources (IDWR) until the following items are complete:

- ✓ • Application fee not provided.
 - ✓ • Water use, usage rates, and total quantities were not provided correctly.
 - Description of place of use was not provided correctly.
1. Using the enclosed Application for Permit Fee Schedule, determine the correct fee and include payment with your returned documents.
 2. Based on the system design described in the application, water will be used for the following purposes:
 - a. Domestic - The applicable standard is total diversion of 0.04 cfs for single household domestic use.
 - b. Diversion to Storage - The rate for this use should be based on the diverted flow rate into the pond.
 - c. Stockwater Storage – Use the Storage: Pond Loss Calculation spreadsheet tool to calculate the volume needed for this use: <https://idwr.idaho.gov/form/water-rights-forms/>.

Cross out all fields listed for “stock” use. Please edit all fields in #5 with the correct water use types and rates, using the included example application as a guide. Include page 4 of the Pond Loss Calculation spreadsheet with all returned documents.

3. Add the **total** rates and volume for water use to each field in #6.
4. For #8b, please list the number of livestock.

5. Please add the appropriate symbols for the described place of uses for stockwater and pond storage in the #9. Use the example application as a guide.

The original incomplete application is enclosed. Please make the necessary adjustments to the original form, include the application fee, and re-submit within the next thirty (30) days. Please consult the IDWR website or contact this office at 208-334-2190 and ask for the "office day person" if you have any questions about the necessary information.

Sincerely,
Idaho Department of Water Resources – Wester Region Office
